Youth Mental Health First Aid

An 8-hour certification course for caring adults who want to help youth (ages 12-18) who may be in crisis or experiencing a mental health challenge.

The course is designed for adults who regularly interact with adolescents (teachers, school staff, coaches, youth group leaders, parents, bus drivers, etc.). In January 2013, President Obama recommended Youth Mental Health Training for all. The core Mental Health First Aid course has been successfully offered to more than 100,000 people across the USA, including hospital staff, employers and business leaders, faith communities, law enforcement, and the general public.

WHO: *Anyone who works with adolescents*

WHAT: *Youth Mental Health First Aid*

WHEN: *8 sessions available - 8:00 - 4:00 pm - You need only sign up for one training session
July 11, 12, 13, 14
August 8, 9, 10, 11*

WHERE: *SAU #30 Administrative Office, Conference Room, 39 Harvard Street, Laconia, NH*

COST: *Free (Cost supported by the Project AWARE Grant)*

WHAT WILL PARTICIPANTS LEARN?

The course teaches participants the risk factors and warning signs of a variety of mental health challenges common among adolescents, including anxiety, depression, psychosis, eating disorders, AD/HD, disruptive behavior disorders, and substance use disorder. Participants do not learn to diagnose, nor how to provide any therapy or counseling – rather, participants learn to support a youth developing signs and symptoms of a mental illness or in an emotional crisis by applying a core five-step action plan:

- ~Assess for risk of suicide or harm
- ~Listen nonjudgmentally
- ~Give reassurance and information
- ~Encourage appropriate professional help
- ~Encourage self-help and other support strategies

The Youth Mental Health First Aid USA curriculum is primarily focused on information participants can use to help adolescents and transition-age youth, ages 12-18.

To enroll please email Janet Brough at jbrough@laconiaschools.org or call at 832-5284 no later than June 30th.

River Crew Art Exhibit at the Belknap Mill

River Crew Art, a local art and photography program will display their exhibit "Creative Recovery" from June 13th – July 14th at the Belknap Mill in Laconia.

River Crew Art was founded in 2011 by Elaine Morrison and Dick Smith. Its members, who struggle with homelessness, addiction and mental illness, express their creativity through media including painting, pottery and photography.

Morrison and Smith both have extensive experience with at-risk population. Morrison is a retired special education and integrated arts teacher as well as an artist. Her work includes a collection of original military art honoring all veterans. She has participated in cultural art exchanges traveling to Brazil, Alaska and Haiti. Morrison currently volunteers sharing her artistic skills with students at Pleasant Street School.

Smith, a native of Laconia, is a retired licensed clinical social worker who spent more than 40 years working with homeless people with acute medical situations. For the last five years of his career, Smith worked with HIV/AIDS patients in Connecticut where he developed a positive-psychology photography program to compliment the mental health and substance abuse treatment the patients were receiving.

One of the goals of River Crew Art is positive recognition from the community. This exhibit affords its members the opportunity to receive feedback which builds on their self-worth, competence and confidence.

The exhibit runs Monday thru Friday, June 13th – July 14th from 9 a.m. - 3 p.m. A reception will be held on Thursday, June 16th from 5:00 - 7:30 p.m. and is open to the public. For more information please contact Jennifer McLean, Events & Program Coordinator, The Belknap Mill at programs@belknapmill.org or 524-8813.

Assessing

The Assessing staff is continuing to update sales and building permits for the 2016 tax year.

If you have received a letter requesting an appointment to review your property but have not yet contacted us, there is still time. Please give us a call at 527-1268 to set up an appointment Monday through Friday to update your property. It just takes a few minutes of your time!

Thank you for your assistance!

They rely on YOU. Just \$10 makes a difference!

It doesn't take a big donation to make a big impact. \$10 might not seem like it'll help that much, but if you donate \$10 and so do your family, friends and neighbors, that makes a HUGE impact in the lives of the abused, homeless, and neglected animals waiting for their forever homes at the NH Humane Society. Our June goal is to get **2,500** of our many friends like you to donate **\$10**. Can we rely on you to support the daily care of the animals at the shelter? Your \$10 will help with their basic needs; food, shelter and love.
