\$7.50 (\$6 Members)

Prescott Farm is truly a gem of the Lakes Region! Situated between Lake Winnepesaukee and Paugus Bay, our 160 acre property is home to forests and field habitats as well as beautiful flower, herb and vegetable gardens. Join us for a one-hour naturalist-guided tour which will immerse you in nature, our gardens and the many ways in which the two interact with one another. *Please note: Mild hiking - please wear sneakers or hiking boots and bring a water bottle!*

The Magnificent Big Trees of Prescott Farm

Every Friday, July 8-October 28; 10:00-11:00
\$7.50 (\$6 Members)

Prescott Farm is home to some pretty big old trees, including a black walnut which is in the running to be recorded as the largest one in Belknap County! These trees are quite magnificent to behold, and can also teach us a great deal - just imagine what they have "seen" over the course of their lives! On this one-hour naturalist-guided tour, you will learn about trees (of course!), but also fascinating facts about ecology, history and how our landscape has changed over the years. *Please note: Mild hiking - please wear sneakers or hiking boots and bring a water bottle!*

"Not-So-Ordinary" Pumpkin Patch

Every Saturday, September 24-October 15; 11:00-12:00 & 1:00-2:00
\$7.50 (\$6 Members)

Join us for a naturalist-led tour of our "Not-So-Ordinary" Pumpkin Patch - an experimental examination of the natural history and taxonomy of pumpkins including about 30 unique varieties of pumpkins that highlight newly developed hybrids and extremely hard-to-find heirloom varieties. Colors range from sun yellow to white and even black and pink varieties. There are varieties that are grown solely for eating their seeds, their beauty, and their culinary use. While you are here, plan to pick your own pumpkins from our more traditional pumpkin patch after the tour. It truly is a wonderful fall tradition to enjoy with family and friends. All pick-your-own pumpkins are Jack-O-Lantern varieties and can be purchased at the Education Center.

Enter our Pumpkin Raffle to win a "Not-So-Ordinary" pumpkin from our pumpkin patch. The Pumpkin Raffle will be held on Friday, October 21 just in time for carving and displaying in the Laconia Pumpkins Festival on Saturday, October 22, 2016.

Laconia Fire Department

Link to Fire Dept.'s Website [here](#)

The 4th of July is almost here! The Laconia Fire Department wants to remind people to be very careful when celebrating our Independence Day, especially if you are going to use fireworks.

Only permissible fireworks are allowed in Laconia, unless you are a licensed fireworks operator. Fireworks can be dangerous. Do not get complacent when using these explosives. According to the National Fire Protection Association (NFPA), on Independence Day in a typical year more fires are reported across the country than any other day, and fireworks account for half of those fires. Four years ago in Laconia we had an apartment house get destroyed by fire because of misuse of sparklers. This year you must be extra cautious due to the very dry conditions we have been experiencing. Not only is the ground very dry, so are wood buildings.

Every year thousands of people are injured using fireworks. Adult males and teenagers are the most susceptible to injury. The injuries can be very severe. The best way to celebrate the holiday is to go to a public fireworks display. Check the newspapers to see what communities are providing fireworks displays. Laconia provides fireworks shows on July 3 at Weirs Beach and July 4 at Opechee Park.

If you do plan on using permissible fireworks you must be over 21 years of age and you must own the property or have the owner's permission. Permissible fireworks are allowed in Laconia. They may not be allowed in other communities. Keep children away from the fireworks especially while lighting them. Watch where the fireworks land and monitor the area for at least 30 minutes after you are done. Fireworks can land on roofs and in gutters and easily start a fire.

The State Fire Marshal gives this advice: "Be Prepared" before lighting fireworks. Purchase only New Hampshire Permissible Fireworks, available at licensed retail stores throughout the state. Purchase ONLY the quantity that you will use. Permissible fireworks can ONLY be displayed on property that you own, or have written permission from the landowner. Contact your local fire department to check the daily forest fire weather forecast, or if outside burning has been prohibited.

Have a water hose or fire extinguisher nearby in case of an unanticipated fire.

Create a clear level surface to display your permissible fireworks away from things that can burn or easily ignite.

Call 911 immediately in the event of a fire or medical emergency, don't wait!

Continued on next page.....

Laconia Fire Department

Link to Fire Dept.'s Website [here](#)

Continued from previous page.....

"Be Safe" when lighting fireworks.

Adults 21 years of age or older are the only ones allowed to possess, and display permissible fireworks.

Always wear eye, hearing protection, and gloves.

Always read and follow the safety directions provided on each firework device or package and ask the store for additional information.

Light only one device at a time and move away quickly.

Keep all spectators at a safe distance.

Display permissible fireworks only outdoors, away from anything that can burn, or easily ignite.

Be considerate of your neighbors, family pets and the environment. You can be held liable for damage to another's property.

"Be responsible" when finished.

Clean up all debris when you are finished.

Devices that do not fire or discharge once they are lit are very dangerous; if a firework device does not fire or discharge, keep away for at least 15 minutes or more, then ensure that it has been filled with water, or placed in a bucket of water.

Always make sure that unused fireworks, matches and lighters are secured and out of the reach of children.

Please, **"Be Prepared"**, **"Be Safe"**, and **"Be Responsible"** when using Permissible Consumer Fireworks, and celebrate safely this Fourth of July. To learn more about a community fireworks display near you contact your local fire department for available dates and times. For a list of community restrictions, please visit our website at: <http://www.nh.gov/safety/divisions/firesafety/special-operations/fireworks/documents/permissible-fireworks-community-restrictions.pdf>

Fun ways to keep your cats and dogs cool and happy!

Make "Catsicles"

When you reach for a Popsicle in the freezer, don't leave your cat out of the fun! Make your cat's food into a tasty, frozen treat that will cool them down! Simply place wet cat food (or dry food mixed with water) in the bottom of a plastic cup and freeze overnight. The next day, pop the frozen food out of the cup and into your cat's bowl for a treat they will love and that will keep them cool!

Check future issues of the newsletter for more fun ways to help your pet(s) beat the summer heat!

NH HUMANE SOCIETY
Laconia • New Hampshire

**Pet of the Week:
Mufasa**

Mufasa...such a regal, powerful name for a strikingly handsome Bengal cat currently calling New Hampshire Humane Society home.

Mufasa truly is King of the Pride, he views life from the highest vantage point both physically and in the natural order. He is quite sure he is actually a dog, loves the company of canines, and has been known to ride pillion on horseback with his former owners!

Mufasa His Royal Excellence - personifies all the typical traits of the Bengal cat. Large and in charge, dismissive if things don't go his way, and expecting of the respect those of supreme lineage require. Vocal and inquisitive, he is far different from your average domestic short-hair – and infinitely more entertaining.

You will know you are owned by a cat when you adopt Mufasa.

Let's round out Adopt a Shelter Cat month with Mufasa finding his permanent 'fur-ever' home.
