VOLUNTEER MENTORS HAVE POSITIVE IMPACT FOR STUDENTS AT WHS

Five volunteers from St. James Episcopal Church and eight more from Good Shepherd Lutheran Church spent the past year as classroom aides and student mentors at

Woodland Heights School and say the experience was transformative. WHS School Counselor Mollie Greeley said the volunteer mentors had a positive impact on students and did amazing work. "Volunteers have been a great asset to the classroom teachers, stepping right in to help students academically, behaviorally and socially," Greeley said. "Many volunteers also created incredible relationships with individual students, which led top students having great excitement and producing more quality work when in the presence of their mentor." NH AQUATICS AT LMS

The week of June 29th—July 3rd, students discovered wildlife and how it relies on ecosystems through field exploration from Northern NH to the Seacoast. The week long camp sponsored by Project EXTRA and was led by Susan Oehlschlaeger-Hildreth and Alexis Eyenon.

For more information on Project EXTRA and its summer learning visit: <http://www2.laconiaschools.org/projectextra/>

CONSTRUCTION CAMP

The week of June 22nd-26th rising 8th and 9th grade students from Laconia Middle School experienced hands-on learning at the Huot Technical Center's Construction Camp with HTC Teacher, Michael Schofield.

Campers had an opportunity to learn about some careers in the construction trades including electrical, carpentry and plumbing. Each day of the week had a trade theme, we

visited trade related sites and worked in the shop on projects. Campers put together electrical circuits, built bat houses, checked out the process of cutting and baling hay and built sprinklers using copper pipe and soldering.

Thank you to our teaching assistant, Robin Friend from the Careers in Education program. Special thanks to Gary Drake and Drake Electric, Sally McGarry and Bouli-Gorrell Lumber CO, Paul Osbourne and Osbourne's Agway, and Keith McNutt and FW Webb Plumbing Supply for giving the students wonderful tours, information and gifts during our visits!

Check out more opportunities at HTC [here](#).

Laconia Police Dept.

You are invited to join Chief Adams at **Wayfarer Coffee Roasters, 626 Main Street, Laconia, NH** on **July 16th at 10:00 am** to kick off Laconia's second **Coffee with a Cop** event!

It is a simple concept. Police and community members come together in an informal, neutral space to discuss community issues, build relationships, and drink coffee. In over 175 cities and towns in 36 states, "Coffee with a Cop" has done wonders for community trust, police legitimacy and partnership building. Community members come to a local "Coffee with a Cop" for a variety of reasons, but no matter why they come to their community's event, they are likely to leave with a more positive impression of their local law enforcement agency.

One of the keys to "Coffee with a Cop's" success is that it removes the physical barriers and crisis situations that routinely define interactions between law enforcement officials and community members. Instead, it allows for relaxed, informal one-on-one interactions in a friendly atmosphere. This informal contact increases trust in police officers as individuals which is the foundation to building partnerships and engaging in community problem solving.

Please plan to join us!

PET OF THE WEEK GEMMA

Gemma is a gorgeous girl who epitomizes the title her breed formerly was Given...“the Nanny Dog”. American Staffordshire Terriers have proven to be loyal, strong, dedicated and very cuddly. Sadly, some of the worst humans have owned them and through mismanagement have tried to ruin this regal canine.

Not so our Gemma. She is a gregarious, outgoing girl. Friendly with other shelter dogs, she relishes the company of our staff and volunteers, but really would like a home of her own. Shelter life can be stressful for dogs who have a deep capacity to bond. She loves water and loves to play. Gemma has spent time with our trainers learning how to be a canine good citizen, she’s doing rather well. So, if you can prove positive leadership, kindness and consistency and lots of interactive play and exercise, Gemma is your girl!

Good News!

The Main Street Bridge is back to its regular traffic pattern as of June 11! Check the Main St. Bridge Construction website for information on Phase 5 of the project. The website is updated periodically with information regarding construction progress, detours, special alerts and other pertinent information.
