DOWN ON THE FARM WEEK AT PROJECT EXTRA!

Tina Fleming visited Mrs. Doherty's class at Project EXTRA Summer Learning Program with some of the newly hatched chicks from her farm.

Students in Miss Champlin's class are hatching eggs, and we expect to see them hatch sometime next week during 'Down on the Farm' week!

On July 25th students will be visiting Charmingfare Farm in Candia, followed by a trip to the Robert Frost Museum on August 1st and concluding the visit to Liquid Planet Waterpark in Candia on August 8th.

RESPONSIVE CLASSROOM TRAINING FOR ELEMENTARY STAFF

Several elementary professional staff members participated in a week long Responsive Classroom training at Laconia Middle School. Responsive Classroom is a research- and evidence-based approach to elementary education that is associated with greater teacher effectiveness, higher student achievement, and improved school climate. It has been recognized by the Collaborative for Academic, Social, and Emotional Learning (CASEL) as one of the most well-designed, evidence-based social and emotional learning programs.

STARTING A NEW EXERCISE PROGRAM?

Grab a friend! A Stanford University Study found that people who exercise with a friend are 93% more likely to stick with an exercise program, and work out 78% more than those who go solo! They burned more calories, had longer workout sessions, and had more overall success reaching their goals. So, grab a friend, and start succeeding today!

News from the Planning Office

Re-Imagine Laconia is now on Facebook!

How would *you* re-imagine Laconia?

Re-Imagine Laconia is the City's campaign to foster public input and involvement in the re-writing of the City's Master Plan. Laconia's current Master Plan dates from 2007, however the process of data collection actually began in 2002. By state regulation (RSA 674:1-4) the Master Plan is required to be revised every 5-10 years. It's time that we take a fresh look at where our City is headed and where we want it to go. By coming together to discover our shared values and visions, we can then fuel planning and other government decisions.

In an effort to garner as much public input as possible, Re-Imagine Laconia is going online. Find us on our NEW Facebook page here: facebook.com/reimaginelaconia, and watch for the following fun items:

"Update Tuesday" will announce upcoming events and meetings, as well as updating the public with general information regarding the project and process.

"Throwback Thursday" will feature historic images of Laconia in years past. Take some time to reminisce and tell us about what you have loved about Laconia.

"Future Friday" will feature current-day images to match the historic images shown on Throwback Thursday and questions meant to get our residents and business owners really thinking, "What do I want to see in Laconia's future?"

Like us on Facebook to keep updated on upcoming events and opportunities to be involved and tell us how *you* would re-imagine Laconia!

NORWAY MAPLE

Continuing our series of dealing with invasive species, this week we are providing information about the Norway Maple and the best way to deal with its removal:

Do not remove when the tree is dropping seedlings. Norway seedlings out compete Sugar Maple seedlings, negatively impacting the maple syrup industry.

Cut the tree and remove the stump. Have the logger remove all leftover logging debris to avoid regeneration.

UNION AVE. Construction Project

As we work on improving our roads, you may have noticed significant activity on Union Avenue. Work at that location during this construction season includes water main, natural gas, sewer, road and sidewalk upgrades.

The project is planned in two phases, with the second phase currently anticipated as follows: Phase 2–Walker St. to Gilford Ave.: July 7th thru October 10th. During the construction day, traffic will be northbound only; southbound traffic will be detoured (see [Phase 2](#) detour plans). On weekends and evenings Union Avenue will be open to two-way traffic.

Please continue to visit the many businesses on Union Avenue and, as always, if you have questions or concerns please call DPW at 528-6379.

Musical Performer Archie Richards at Taylor Community

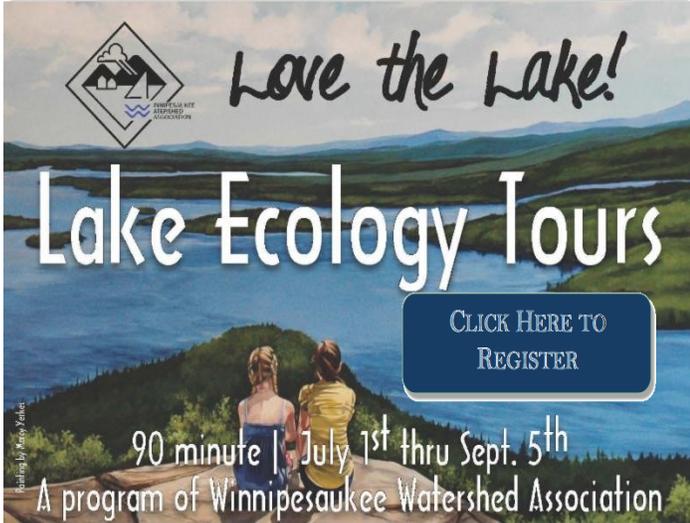

Classical Pianist Archie M. Richards, Jr., will present a program of classical music, Broadway tunes and old time favorites, Friday, Aug. 1 at 2 p.m. at Taylor Community.

A former stockbroker, financial planner and now journalist, Richards has played piano all his life. In the 1970's he benefitted from teacher Kyriena Siloti – she was the daughter, student and assistant of Alexander Siloti, a renowned Russian pianist. The elder Siloti was a student of Franz Liszt, one of the world's greatest pianists.

The performance is free and open to the public, but reservations are required. Please call 524-5600, Monday through Friday from 8 a.m. to 4 p.m., or email rsvp@taylorcommunity.org.

Host Families Needed for Up With People

Up With People (UWP) is a global non-profit organization that brings young people, aged 17 - 29, from around the world together to tour and celebrate volunteerism and music. UWP will visit the Lakes Region from September 1st-8th, which will mark the first visit to the area in 14 years, and it will be the only stop in NH on this year's tour!

Up With People is in need of 50-60 host families for its young people during their visit. The guest and the host family will share their cultures, food, stories and family with each other.

UWP host families provide:

- A place to sleep
- Breakfast and most dinners
- Local transportation at the beginning and end of the day, and
- A safe and welcoming environment for UWP students to learn about your family, community and culture...and vice versa!

UWP host families receive:

- Two complimentary Up with People show tickets
- An opportunity to share customs and culture, and
- A potential new friend for life.

Interested in hosting? Please contact UWP coordinator Chelsey Panchot at cpanchot@upwithpeople.org or local coordinator Clare Persson at perssonclare@gmail.com

You are invited to a Lunch n' Learn!

Counseling on Access to Lethal Means (CALM) Training for First Responders

Date of Training: Thursday, August 21st

Time of Training: 12:00pm – 1:30pm, lunch provided

Location of Training: Laconia Police Department, 126 New Salem Street, Laconia

*There is no charge for this training. Materials will be provided. **RSVP needed.**

What is CALM?

CALM (Counseling on Access to Lethal Means) is a means reduction program developed here in New Hampshire at the Injury Prevention Center at Dartmouth in collaboration with researchers at the Harvard Injury Control Research Center. This workshop is being presented to First Responders and others having brief, crisis oriented involvement with suicidal individuals and their families. The goal is to engage these individuals in this evidence-based strategy to **prevent suicide**.

The workshop addresses why and how to do this, focusing on the steps below. The workshop includes: powerpoint presentations regarding why CALM is important, a videotape modeling how to incorporate CALM into a suicide attempt scenario, and time for discussion and case studies.

During CALM, the following steps are emphasized:

1. Explain that you believe that the individual is at risk for suicide.
2. Explain that they can reduce the risk by reducing access to lethal means, particularly firearms.
3. Discuss specific steps they can take to remove or at least reduce access to firearms and other lethal means.
4. Ensure that all responders, hospital staff and family/friends are made aware of the risks.

RSVP: To register, please contact: Tammy Levesque at Lakes Region Partnership for Public Health. tlevesque@lrpph.org, 528-2145

This training is supported through the SAMHSA Garrett Lee Smith grant and coordinated in partnership through Lakes Region Partnership for Public Health, Laconia Police Dept, and NAMI NH.

Taylor Residents Have Muskrat Love

Eric and Jeanne on the front porch

Nineteen-year-old Eric Freeman is miles away from his native Knoxville, Tennessee home. He's spending this summer in the Lakes Region as a member of the Laconia Muskrats Baseball Team.

Very tall and lanky with short red hair, he seems comfortable in the surroundings of Taylor Community, which is his Host Family for the season.

He and 19-year-old Jordan Sheffield from Tullahoma, TN, share a room in the oldest building on campus – Taylor Home.

They eat breakfast and often lunch with the assisted living residents who live there. "I have breakfast with Irene every morning," he said. Irene laughed, describing Eric as a "good eater, who enjoys his food." He often helps Mary, "who loves her puzzles," and knows "Beryle is a huge Red Sox fan. She gave me an interesting article about Fenway Park."

Taylor has sponsored two Muskrat players per season for the past few years. "It's such a pleasure each year for all of us at Taylor to be a host family for these fine young guys," said Marketing Director Paul Charlton. "It's quite something for the players, for Laconia and for Taylor to be part of this program which attracts talented baseball players from colleges and universities all across the United States. We're big fans of Jordan, Eric and all of the Muskrats!"

"The support we received from Taylor Community is incredible," said Muskrat Manager Noah Crane. "It's a tremendous experience for our players and the 28 guys who don't get to stay there are very jealous. The hospitality we've been shown from everyone is remarkable."

Eric said players found out last fall where they would be spending their summers. Muskrat Manager Noah Crane annually puts out a roster with players' positions. "There were guys from my school going to New York, Florida and Nebraska," said Eric. "The set-up is fine here. We like talking to the residents and Jordan and I both enjoy the ice cream sundaes on Sunday."

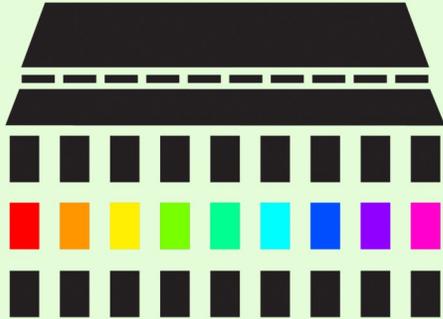

Robbie Mills Field, where the Muskrats play their home games, is only about 3 miles from Taylor. He added it was nice to be so close, as some of his teammates were housed 30 miles away.

Eric will be a sophomore at the University of Tennessee in the fall, concentrating on pre-pharmacy and kinesiology, the scientific study of human movement. Jordan will be studying business at Vanderbilt.

But it's not all work. Eric's family was able to visit over the Independence Day holiday and they traveled to Arcadia National Park and Bar Harbor, Maine and did some hiking in the New Hampshire mountains as well. "We were able to meet his parents, brother and sister. They were a lovely family," said Irene.

"It's fun having them around," said Taylor Home Resident Jeanne.

Calling All Artists – Seeking Local Artists for Belknap Mill Art Bazaar

Local artisans are encouraged to apply for the opportunity to show and sell handmade goods at the first annual Belknap Mill Art Bazaar in Rotary Park. The market’s opening day is scheduled for Saturday, August 9th.

The Art Bazaar is a program organized by the Belknap Mill to support local artists and artisans in the Lakes Region. This juried market will feature exceptional handmade and locally produced products including fine art, jewelry, ceramics, crafts, apparel, accessories and fair trade/eco-friendly products. Any local artist interested in participating must complete an application and include a small vendor fee. Ten-foot by 10-foot spaces are allotted on a first-come-first-serve basis, but artists must provide their own tables, chairs, tents, etc. Items for sale must be original.

For more information on how to become a vendor, email Scott at scott@belknapmill.org or call (603) 524-8813.
