# NH Humane Society

Over a century of love for those without a voice.

**Pet of the Week**  
**HANK**

Hank - it's a name that just makes you smile when you hear it and say it out loud. A fun name that immediately imbues you with the sense of strength and wellbeing.

Our dog Hank, a sturdy terrier mix, is just hoping masculine good looks will carry him forward into a new fur-ever home. Hank's incredibly outgoing and energetic, truly folks, in a balanced, active family we can't imagine why you'd be anything less than thrilled to call this handsome boy part of your family. Hank is only 9 months old. A family with children who are in the 3<sup>rd</sup> grade or higher will be delighted with this debonair dog. "He might chase cats for fun", says our doggie behaviorist, but he has the propensity to make many friends, both two and four legged alike. Come and see him at NH Humane Society.

Don't forget to support the Subaru Loves Pets charity campaign. Post an image on social media of your pet being adorable using #SNElovespets as the tag! It'll support NH Humane Society.

The course is designed for adults who regularly interact with adolescents (teachers, school staff, coaches, youth group leaders, parents, bus drivers, etc.). In January 2013, President Obama recommended Youth Mental Health Training for all. The core Mental Health First Aid course has been successfully offered to more than 100,000 people across the USA, including hospital staff, employers and business leaders, faith communities, law enforcement, and the general public.

## WHAT WILL PARTICIPANTS LEARN?

The course teaches participants the risk factors and warning signs of a variety of mental health challenges common among adolescents, including anxiety, depression, psychosis, eating disorders, AD/HD, disruptive behavior disorders, and substance use disorder. Participants do not learn to diagnose, nor how to provide any therapy or counseling – rather, participants learn to support a youth developing signs and symptoms of a mental illness or in an emotional crisis by applying a core five-step action plan:

- ~Assess for risk of suicide or harm
- ~Listen nonjudgmentally
- ~Give reassurance and information
- ~Encourage appropriate professional help
- ~Encourage self-help and other support strategies

The Youth Mental Health First Aid USA curriculum is primarily focused on information participants can use to help adolescents and transition-age youth, ages 12-18.

## OPECHEE GARDEN CLUB

A growing tradition in the Lakes Region

### **LOCAL FLORIST, SUSAN BROWN, WILL SHARE HOLIDAY DECORATING TIPS**

On Monday, November 7, 2016, Opechee Garden Club is very pleased to present a timely program, "Trans-Seasonal Décor, Two Seasons With One Look", by Susan Brown, owner of the Lakes Region Floral Studio in Laconia. This presentation, using flowers, greens, and other materials, will demonstrate how to more easily transition home décor from fall to winter. The program will begin immediately following the club's regular Business Meeting, at 1:00 P.M., at the Gilford Community Church, 19 Potter Hill Road, in Gilford.

Susan Brown is a native of this area, growing up in Laconia, graduating from Laconia High School in 1988, and attending Rivier University in Nashua. After marrying, she and her husband, Steve, moved to Florida where Susan met a woman who owned a flower shop in Winter Park, Florida. Intrigued, Susan began working in the shop, for free, but soon, as she learned about the care of flowers and floral design, she became a fulltime paid employee. Another move to Cincinnati, Ohio, provided Susan with more floral design experience as she worked at two more flower shops.

Upon returning to the Lakes Region in 2000, Susan and her business partner, Jeff Craigie, began a retail florist shop in Laconia. Five years later, Jeff decided to relocate to pursue a different career, but Susan continued with the retail shop for about eight more years.

Three years ago, wanting to spend more time with her children now of high school age, she decided to change the focus of her career. Susan ended her fulltime retail business, and chose to concentrate on floral designs for weddings and special events, hiring retired experienced floral designers to assist with the many preparations for these often large gatherings. While Susan is not a "wedding planner", she is often called upon for suggestions or advice in staging and planning parts of these events. While this new business is going very well, averaging 90 - 100 weddings a year, the wedding season brings long weeks of constant work. Susan has found that this business is a good fit with her desire for more family time, as the off-season is a great time to catch-up with her children. Opechee Garden Club is very much looking forward to her presentation.

Hospitality Chairs, Jessie Lacombe and Colleen Hartigan, and their Committee, Cindy Anderson, Sally Bussiere, Helen Donley, Elaine Denis, Sally Doten, Becky Gage, Mary Lou John, Laurie Johnson, Pati Litchfield, Barbara O'Shea, and Joni Stover will provide seasonal refreshments and table decorations.

Members and their guests are encouraged to arrive early, 12:30 - 1:00 P.M., to enjoy socializing before the Business Meeting begins shortly after 1:00 P.M.

The Opechee Garden Club meets at 1:00 P.M., on the first Monday of most months, at the Gilford Community Church, 19 Potter Hill Road, in the village of Gilford. New members are always welcome. For more information contact us at: [opecheegardenclub2012@gmail.com](mailto:opecheegardenclub2012@gmail.com)
