Tips on Preparing Your Single Stream Recycling

You may use any rigid household bin or barrel - no limit on size - to place your recycling curbside for collection. Containers are available at local home/garden stores. The City sells 18-gallon recycling bins for \$9.00 each. Recycling stickers are available at DPW.

Please either clearly mark your container "RECYCLING", or call Ann at DPW (528-6379 ext 300) for free Recycling Stickers.

Please place your Recycling container at least three (3) feet away from your trash containers.

Remove ALL plastic bags and liners: These items will damage the sorting equipment at the Single Stream Recycling Facility.

NOTE: STYROFOAM is **NOT** currently recyclable on the East Coast. Please place Styrofoam materials in your trash.
