**New Business Continued-**

A discussion was held regarding a complaint from Carol Brody representing Care & Comfort Nursing, LLC. She was requesting that the board waive the Raffle licensing fees. It is specified in Chapter 161 that the fee is \$10 and if the event is within 7 days of notification the fee is \$20 and this has been existence for a long time and all organizations have been following right along with this fee schedule in the Licensing chapter. The board feels that this a commendable donation and it is going to a great cause but we have to follow the letter of the law. Chief Moyer made a Motion that she is to Cease & Desist until she pays the fees and completes an application for a raffle license and we will notify her by letter or e-mail. Seconded by Deputy Pendergast, Approved.

Old Business- The second reading will be held at the Council meeting this Monday 12/6/10 on the new pawnbrokers licensing then after that we should be able to begin licensing pawn shops.
