New Business- On the 11/7/12 agenda under Review items New Beginnings was issued a raffle license on 11/1/12 with a draw date of 12/21/12. They have already sold tickets, and the tickets have the draw date printed on the ticket. New Beginnings called and said they didn't sell enough tickets and they want to change the draw date to April 2013. They said they have the contact information to the people they sold the tickets to, and that they would contact them notifying them of the change if the License Board says that it's okay to change the date.

The Board said that it was fine to change the draw date but as a courtesy to the patrons who have already purchased tickets must be notified of the change.

The clerk also mentioned to the board that there were some complaints about protestors last month on City property, particularly a problem with a table set up and there wasn't anything that could be found stating they had to remove the table from the sidewalk. The board said that because this doesn't happen very often just to leave things alone.

Adjournment- Motion to adjourn by Chief Erickson, seconded by Captain Canfield, Adjourned.
