

**CITY OF LACONIA  
LICENSING BOARD  
ROOM 200B  
July 7, 2011  
12 pm  
MINUTES**

**Present: Chairman Rogato, Chief Erickson & Captain Clarke**

**New Business:**

Derek Case from Northeast Ice cream would like to speak with the Board: He wanted to speak with the board about some issues he had during the 4<sup>th</sup> of July celebration where he was parked along the side of the road and he was told he had to move otherwise his license would be revoked. The board said they will look it up and discuss it with him at the next meeting. Mr. Case will be at the next meeting.

A motion was made by Chief Erickson to move Refund Request from Paradise Beach Club from the Regular section of the agenda to New Business because Mr. Loring was present at the meeting. Seconded by Captain Clarke, Approved.

The board reviewed Mr. Loring’s letter to the board and spoke with him at the meeting and they agreed that the purpose of getting his additional license was not necessary. Captain Clarke entertained a motion to refund Paradise beach Club for their MCWK OLS permit because of the misunderstanding between the wording on the license and the business owner seconded by Chief Erickson, approved.

Taxi Company & Driver: Maggie’s Taxi- motion to approve both company & driver applications by Captain Clarke, seconded by Chief Erickson, Approved

New Business-

The Clerk wanted to let the board know that the other clerk attended an after MCWK meeting with the MTRC about some issues that were encountered during motorcycle week with camera crews and protesters. A future discussion will be held on how to regulate them and how we can notify them on whether or not they actually need a license to vend because they are selling their product after the fact. An idea of possible designation and how to identify who are in fact business people versus a tourist for the mobile vendors was discussed. The board also discussed a couple of other ideas and they will come back to this topic at a later date.

Another issue was that Beer tents were not closing down at the correct time that is specified on the license.

The clerk received a phone call about a protestor that will be out in front of the court house, although they do not need a license the board wants to make sure that they keep the sidewalk clear for other pedestrians to get by.

Old Business- There is no Old Business to be discussed.

Adjournment- Motion to Adjourn by Chief Erickson, seconded by Captain Clarke, Adjourned.
