Present: Chairman Rogato, Chief Erickson & Captain Clarke

Guest-

Jim Adams from WLNH- Nassau Broadcasting would like to speak with the board about a chowder event on 10/2/11 at Funspot.

Angela Burassa is representing WLNH for Jim Adams to tell the board about the event and find out what types of licenses will be required. The board recommended that she gets onto the city council's agenda to see about getting the fees waived for the event because this is the first time bringing the event to the city.

Continuing from the previous July 7th meeting with Derek Case; Captain Clarke addressed Derek with the outcome decision on if he was allowed to vend on N. Main St and if safety was a concern during the 4th of July Celebration at Lake Opechee Park. He was allowed to be vending on North Main St and there were no safety concerns while he was there; However the parks & recreation Department asked an officer to have him move because he didn't have an additional license for the 4th of July Celebration. The clarification was made between the appropriate parties so that this issue will not happen again.
