

CITY OF LACONIA  
LICENSING BOARD  
ROOM 200B  
June 5, 2013  
12 pm  
MINUTES

**Present: Chairman Rogato, Chief Erickson**

A motion was made by Chief Erickson to take the guests out of order to allow them to address the board, seconded by Chairman Rogato.

Charlie St. Clair spoke to the board about outdoor loudspeakers. The price for an outdoor loudspeaker during Motorcycle Week is \$450.00 regardless if it is a band playing in a beer tent, a loud stereo system playing or a person who is announcing names or items thru a microphone. Charlie's concern is that it is not logical to charge the same fee for a band playing much louder than a person speaking thru a microphone. Charlie would like to see a graduated fee structure for the Outdoor Loudspeakers. Chief Erickson told Charlie that if you have a small tent versus a large tent you still pay the same fee for a vending license. And the loudspeaker fee is the same and the City Council decides what the fees are. Charlie said that he was going to go to the Council and give his comments to them. Chief Erickson just wanted to make Charlie aware of the big can of worms it would open if we portioned out the outdoor loudspeaker license by decibels then vendors would want to have their license based off of the size of their vending spot and it just wouldn't work out.

We had another guest representing King's Kones. He wanted to be present at the meeting because of his criminal history from years ago and he wanted to make sure if the board had any questions that he would be there to answer them. Captain Canfield was absent from the meeting but he did receive a copy of the NH criminal Background Check and a Copy of his NH driving record and he did not have any issues with his application.

IV- King's Kones ice cream truck will make stops around Laconia from June thru September from 1:00pm – 8:00pm

**A motion was made to approve King's Kones Ice Cream by Chief Erickson, seconded by Chairman Rogato, Approved.**
