

NH Pumpkin Festival GRAND PUMPKIN PARADE REGISTRATION FORM

DATE: SATURDAY, October 22, 2016 at 1:00 p.m.

- All vehicles/floats **MUST** be decorated in keeping with the theme of the “PUMPKIN” parade. Costumes are encouraged!
- All vehicles/floats and groups must display identification banner or sign **in front of** vehicle or group for event recognition – this assists our film commentators as you approach the cameras that will be filming the parade!
- **Line-up begins at Water Street & Beacon Street West at NOON.**
- Upon arrival, one person from each entry must check in with Parade Organizers, so we know you have arrived and can direct others from your group to you.
- All entries must be lined up and assembled **no later than 12:45 p.m.**
- Motorized vehicles will line up on Water Street. Walkers will line up on Beacon Street West in front of Hector’s Restaurant.
- Applicants assume all responsibility for any loss or damage in connection with their float entry.
- No alcoholic beverages will be permitted during the event.
- Participants on vehicles or walking **MAY NOT THROW** candy to people along the parade route. **CANDY MUST BE HANDED OUT** to the crowd for safety reasons. We do not need children running into the street to get loose candy with large vehicles.
- Distribution of brochures or literature for fundraising or soliciting purposes is not permitted along the parade route.
- No floats and/or vehicles shall be left unattended at any time while waiting for the parade to start.
- In case of extreme weather, the Parade may be cancelled. If you have any questions about the weather the day of the Parade, listen to the local radio stations, check the Official NH Pumpkin Festival website at www.NHPumpkinFestival.com .
- All motorized vehicles must have a certificate of insurance and must be registered and inspected.
- ANIMALS – Anyone who is participating with an animal(s) must be in control of the animal(s) at all times and **is responsible for any waste**. You must have a clean-up crew/plan with a “pooper scooper”. We love to have the animals participate, but please remember that small children may be walking behind you.
- PARADE ROUTE – from Water Street down Beacon Street West, up Beacon Street East, left onto Church Street crossing Main Street in front of the 34’ Tower of pumpkins and back to the starting location of the parade.
- Due to street closures and temporary traffic orders in force the day of the festival, all vehicles participating in the parade will arrive via Water Street and exit Water Street immediately following the parade.
- Additional reference is available at State of NH Law regarding Parade Safety RSA 265.10.
