

Motorcycle Week Cardboard Recycling Program

The City of Laconia continues their **mandatory** cardboard recycling program for the Motorcycle Week event.

Cardboard will be collected at the curb along Lakeside Avenue DAILY for the duration of the event. This will be accomplished by 7:00 AM by the Department of Public Works. Cardboard must be broken down/flattened out and placed neatly at the curb for collection.

Remote drop-off containers will be located at the following sites for vendor use:

- (2) at Funspot parking lot
- (2) at Weirs Beach Water Slide
- (1) at the Verizon Switching Office at 1203 Weirs Boulevard
(next to Gulbicki's Towing & Auto Repair)
- (1) at City Hall parking lot for Harley Davidson Road Tour participants

Cardboard must be broken down/flattened out and placed into the containers. **Please do NOT dispose of anything other than cardboard in these containers.**

Vendors in areas not serviced by the remote drop-off containers should place broken down cardboard in pickup area designated by the site owner. Department of Public Works will be collecting this cardboard curbside daily during the event, including the Downtown area. Please have cardboard in the appropriate collection spot by 7:00 AM. Vendors are also welcome to deliver their own cardboard to the Laconia Transfer Station on Meredith Center Road (528-5822). Hours of operation are Monday - Friday 7:30 AM to 3:30 PM, and Saturdays 8:00 AM to Noon. If you desire to use our facility to drop off cardboard for recycling please drive onto the scales and identify yourself. The scale operator will instruct you as to the proper container(s) for collection.

Any questions should be directed to the Department of Public Works at 528-6379.

The City of Laconia sincerely THANKS YOU for your cooperation and efforts towards making our recycling program a success!

PLEASE NOTE: We encourage all to participate in the current recycling program. Every ton taken out of the waste stream is reflected in a direct savings to the City and to the taxpayers.
